PROFESSIONAL EXPERIENCE

Graphic Designer II / Branding Designer — GeekyAnts

Jan 2025 – Present

- Lead brand identity design across UI/UX and marketing touchpoints, partnering with product and design teams to maintain visual consistency across platforms.
- Manage branding engagements for international clients end-to-end, translating cross-cultural requirements into on-brand design solutions delivered on schedule.
- Convert complex client briefs into structured brand systems, logo suites, and style guides that scale across digital and print.
- Produce high-impact branding assets, including identity systems and motion logo animations.

Marketing Graphic Designer — Avientek FZE

Jul 2023 – Dec 2024

- Designed and shipped end-to-end marketing collateral, including social media creative, website assets, and campaign graphics.
- Built and executed social media campaign creative that increased engagement, lead generation, and brand awareness.
- Delivered design support for cross-company partner initiatives, including collaborations with Microsoft and Logitech.

Creative Associate — Think & Learn Pvt. Ltd. (BYJU'S)

Oct 2019 – Mar 2023

- Designed across websites, print collateral, and digital marketing campaigns, partnering with developers and content teams.
- Mentored and reviewed the work of junior graphic designers, driving a 30% improvement in overall design quality and team output.
- Collaborated directly with Disney and Osmo to design interactive game stages and printable books for children's educational products.
